PROFILE

I am a Junior Software Tester with strong attention to detail. Since I started learning to test, I learned how important it is to be meticulous and a team player. I like new challenges, which made me want to learn more and more about this domain and improve my skills daily.

My objective is to excel in a challenging and innovative QA work environment and aim to exercise my full potential.

That's why I am looking for o company that will give me the chance to learn and develop myself as a Software Tester.
